

**Ad Hoc Committee Meeting  
Stadium/Turf Project  
LGI Room Sr. High School  
July 24, 2008**

**Minutes:**

The Stadium/Turf Ad Hoc Committee met on Tuesday, July 24 at 7:00 p.m. in the LGI Room at Indiana Senior High School. An attendance list is attached to the minutes.

**Mr. Pappal information**

Mr. Pappal asked the committee to think about if synthetic turf is not installed on either field that the football field is long overdue to recrown the field at an estimated cost of \$80,000-\$100,000 and the soccer field needs restored at a cost of \$90,000-\$110,000. Mr. Pappal also said that by his rough estimate it costs about \$22,000-\$25,000 to maintain the fields each year.

**Alternatives/Brainstorming**

We continued and finished brainstorming users and needs as well as facilities currently available and what could be done to upgrade. All of this was put on large sheets of paper.

The next meeting of the Ad Hoc Committee has not been scheduled yet.

The meeting ended at 8:33 p.m.

Respectfully submitted,

Doug Steve
