### Authorization for Administration of Medicines

The **Pennsylvania State Law and Regulations** require a physician's or dentist's written order and parent's or guardian's authorization for a nurse to administer medication. Medications must be in pharmacy prepared containers and labeled with the name of the child, name of the drug, strength, dosage, frequency, physician's or dentist's name and date of original prescription.

#### **Physician's or Dentist's Order**

Name of Child: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

Condition for which the drug is being administered during school hours: \_\_\_\_\_
