

2010 Secondary Transition Parent Informational Series

Accommodations and Supports for High School Success March 31, 2010

Goal of the Session: Understanding my son's/daughter's disability and how that impacts his/her life now and what supports and accommodations can help. This presentation will focus on helping students and parents understand the educational classification of their child's disability and how that disability impacts learning in the school system. Specific resources in this area will be made available for participants in regard to accommodations and supports.
